----------------	-------------	------

Grant Activity

Grant Activity - BMP Technical Assistance	
Description	BMP Technical Assistance
Category	PLANNING AND ASSESSMENT
Start Date	End Date
Has Rates and Hours?	No
Actual Results	<p>2015 tech highlights:</p> <p>Tech staff attended Diagnosing Streams; Symptoms, Underlying Causes and Remedies through the MN DNR Stream Habitat Program. This three day training in Little Falls MN concentrated on developing skills crucial to implement a treatment or restoration plan that restores the long-term health and stability of a stream.</p> <p>Tech staff worked with two landowners in Wahkon to assess storm water drainage issues, recommend treatments and facilitate communications with townships and city supervisors. A shoreline erosion site on the Rum River was investigated and various erosion control BMPs were discussed with the landowner. Tech staff worked with the City of Wahkon to address three possible projects that will restore an eroded beach area and address storm water runoff and sediment build up at a boat access area. Tech staff worked with TSA to develop possible solutions to these resource concerns. Staff also worked with the City of Milaca to advise them on sediment control solutions for a parking lot and ditch associated with a large rain garden.</p>
