By providing this information you are consenting to be contacted by staff of Mille Lacs SWCD.

Have you received a scholarship from Mille Lacs SWCD before? Yes / No

If yes, please explain the previous scholarship (s):

Which Soil Health Principles are being utilized for your operation?

- ✓ Minimize disturbance Yes / No
- ✓ Maximize soil cover Yes / No
- ✓ Maximize living roots Yes / No
- ✓ Maximize diversity Yes / No
  - Utilize livestock for in-field grazing Yes / No

What are you looking to gain from obtaining this scholarship?

Would you be willing to share what you learn in a small group setting? Yes / No

Scholarships are currently available for the 2026 Soil Management Summit

January 14-15, 2026, Delta Hotel Fargo, Fargo, ND

The summit features presentations and Q & A with researchers, farmers and agricultural advisors, information from sponsors, and conversations with farmers experienced in different soil health practices.

More information can be found at SMS/DIRT Conference 2026

Scholarship funding is a reimbursement for registration costs and will be based on funding availability. Proof of payment and attendance will be needed to process reimbursement.

By providing this information you agree to be contacted by staff of Mille Lacs SWCD.
